Ghana Nigeria Business Council Celebrating 60 years of Nigeria's Independence

ACCRA, GHANA, Thursday 1st October 2020: On this day we are celebrating 60 years of Nigeria's Independence.

Our big brother has won many victories over the years and they continue to be the beacon and light of our continent.

Today we celebrate the land of Nigeria - rich in resources, fruit and vast beauty.

We celebrate the culture of Nigeria - it's vibrancy, influence and identity of the nation.

We celebrate the brilliant people of Nigeria - hard-working Nigerians who are unapologetically proud of their country and remain ambassadors of the great nation.

We celebrate Nigeria as our big brother and one of the major powerhouses on the continent.

"Ghana and Nigeria have always loved each other and today despite all challenges are growing from strength to strength. We want to spend this time in celebrating all things great and victorious of our brother Nigeria" stated Chairman of Ghana Nigeria Business Council Mr Reginald Laryea.

As Nigeria celebrates its 60 years of Independence, the GNBC have partnered with Sai Wine Café in Osu to celebrate 60 years of Nigeria's Independence. Guests are expected to enjoy all things Nigerian - live music, food and great vibes. Interested guests are required to get in touch with Sai Wine Café in Osu to know more event details.

Happy 60th Independence Day Nigeria - May the "Fatherland" continue to grow from strength to strength. May your people continue to flourish. May peace and justice continue to reign forever.

Together we stand!
